

Name: _____

Class: _____

Science/HSIE Board Game

Term 4 2012

Goal:

To design and make a board game on a topic that we have covered this year in Science or HSIE

Topics include:

Science

Natural Disasters
Micro-Organisms
Package it Better
Sinking, Sailing, Soaring

HSIE

Global Connections
Government
Vietnam
Antarctica

Choose the topic which has interested you the most and create a board game about that topic. Be creative!

Criteria (tick when completed)

- The game must be suitable for 4 or more players
- There must be approximately 50 squares
- It must be colourful, neat and accurate (no spelling mistakes or grammatical errors).
- Rules must be written out clearly on the back
- Equipment needed for the game must be provided (or listed) on the back
- Information about the topic should be included in the game (quiz questions, information squares, etc.)
